Kason K1245 6mm Hinge Packer

PART No: K1245P6MM

FEATURES

Kason K1245 6mm Hinge Packer

Achieving the correct hinge offset is essential for proper door alignment and smooth operation. The offset determines how the door sits against the frame, ensuring it opens and closes correctly.

The Kason K1245 6mm Hinge Packer allows you to fine-tune your hinge offset, helping achieve precise door positioning, optimal alignment and reliable door operation.
