Fullers All Purpose Silicone Off White 300gm

PART No: 10016579

FEATURES

Fullers All Purpose Silicone Off White 300gm

All purpose silicone is a 100% neutral-cure sealant ideal for trade, renovator, and DIY applications requiring a weather- and water-tight seal. With multiple colours and anti-fungal properties, it’s perfect for bathrooms, kitchens, laundries, plumbing fixtures, roofing, guttering, silos, and window perimeters—a single silicone solution for a wide range of applications.

Key Benefits:

- Maintains permanent flexibility with ±25% joint movement
- 100% neutral-cure silicone, non-corrosive
- Anti-fungal formulation resists mould and mildew
- Suitable for both interior and exterior applications
- Strong adhesion to a wide range of construction materials
- Ideal for wet areas such as bathrooms, kitchens, and laundries

Uses:

- Sealing around showers, sinks, bathtubs, spas, and other sanitary fixtures
- Sealing tiled areas and shower screens
- Sealing joints between laminated kitchen benchtops and sinks
- Bonding glass splashbacks with double-sided tape
- Sealing roofing, gutters, and downpipes
- Sealing general plumbing fixtures
- Bonding and sealing non-structural glass and window glazing
