CRH Recessed Handle with Pin - Surfmist White

PART No: A07WP

FEATURES

CRH Recessed Handle with Unlocking Pin - Surfmist White.

Generally used on the inside of a refrigerated room sliding door where an A390W Inside Release Rod is fitted. The pin allows an entrapped person to unwind the pin which will retract from the Inside Release Rod and allow the person to exit.

Colour: Surfmist White

Material: High Pressure Aluminium Die-Cast
