FEATURES

Round Vinyl Floor Waste With Basket Trap

Colour: Silver

Material: 316 Stainless Steel

ADDITIONAL INFORMATION

The Galvin Engineering floor waste outlet fitting has a 150mm round housing and removeable basket. The basket is simply dropped in or lifted out. To prevent any discharge of solid waste when the basket is removed a secondary screening plate is securely fixed below the basket. This product has a 98mm diameter body that fits into normal 100mm drainage pipe.
