

# Kason Non-Rise Hinge, 29mm Offset

PART No: K1216

## FEATURES

Kason Non-Rise Hinge, 29mm Offset

**Material:** Pressure Die-Cast Zinc

## ADDITIONAL INFORMATION

- Well styles ideal hinge for under cabinet & refrigerator use. The non-rise action keeps the door at a constant level throughout the pivot range.
- Serrated micro adjustment plate allows door to cabinet correction of 1/32" for exact gasket seal and 5/32" door to opening adjustment for optimum door alignment.
- Add fully adjustable spring assist (K1216SK) to assure automatic hands free door closure.
- Snap on polished stainless steel cover hides mounting hardware and provides required seal against infestation.
