Kason Mechanical Edgemount Latch - straight handle

PART No: K17404

FEATURES

Kason Mechanical Edgemount Latch with straight handle.

- Latch is edge mounted to the door. Strike is surface mounted.
- Positive latching keeps doors shut tight: guards against pop-opens.
- Two-way adjustment compensates for door sag & gasket wear.
- Strike adjustment range 7.1mm - 15.1mm.
- Drilled & countersunk for 5mm screws.

Colour: Chrome Plated

Material: Pressure Die-Cast Zinc
