Kason 56 Series Tuffkote Latch with Lock

PART No: K56CLT108

FEATURES

Kason 56 Series Tuffkote Latch with Cylinder Lock

Colour: Grey Tuffkote

Material: Pressure Die-Cast Zinc with 316 Stainless Steel Handle

ADDITIONAL INFORMATION

The proven heavy duty Kason latch for commercial use. The bolt type tongue provides positive locking action. A padlocking provision is also included which is overridden by the K481 Internal Release if fitted in the event of entrapment. Drilled & countersunk for 6mm screws. Tuffkote is a baked enamel finish which makes it ideal for outdoor use or in locations where there are harsh chemicals.
