Kason 58 Series Latch

PART No: K58L05021

FEATURES

Kason 58 Series Latch with Radial Tongue.

- Radial Tongue provides smooth easy closure.
- Reliable self-closing action provides positive tight closure with little effort.
- Releases with minimum pull pressure from the outside or from inside with the Kason Inside Release handle.
- Works effectively with Kason Door Closers.
- Padlocking provision standard on all models and still allows the door to be opened from the inside to prevent entrapment.
- Ideal of medium sized cold room doors.

Colour: Chrome Plated

Material: Pressure Die-Cast Zinc

ADDITIONAL INFORMATION

Drilled & countersunk for 6mm screws.
