Kason 78 Series Latch, with Lock

PART No: K78CL5020

FEATURES

Kason 78 Series Latch with Cylinder Lock.

- Radial Tongue makes for effortless door closure.
- A true self-closing door latch when combined with Kason Door Closers.
- Padlocking provision is a standard feature and also allows the door to be opened from the inside to prevent entrapment.

Colour: Chrome Plated

Material: Pressure Die-Cast Zinc

ADDITIONAL INFORMATION

A rugged commercial grade latch with the soft closing nature of the radial tongue.
Drilled & countersunk for 6mm screws.
