ADDITIONAL INFORMATION

The twin wheel low profile design not only increases maneuverability but increases load capacity to the Richmond Utility Castor. Available in a plate or bolt fitting this castor is commonly used in shop fitting applications, light duty cabinets, home entertainment units and other furniture. Zinc plated, pressed metal construction provides an attractive corrosion resistant finish and is available with the choice of nylon or grey non-marking wheels.

The S2718B by Richmond is a swivel frame castor and is fitted with 2 institutional rubber wheels. This swivel castor is one of our utility series twin wheel range and has a maximum capacity of 70kg. The S2718B uses ball bearings for wheel rotation. This castors swivel frame permits the load to be steered. The diameter of the institutional rubber wheels is 50mm, the wheels width is 2 x 20mm and you can order separately. To order this castor without a brake, search for S2718.
