ADDITIONAL INFORMATION

Available with a large range of wheels each designed to suit varied floor surfaces, application and load requirements – Richmond's Light Industrial Series castors are ideal for use on mobile equipment, hospital equipment, nurseries, shops and general industry. The light industrial series is the castor of choice for green grocers and market stalls for produce bins as it provides an economical hard wearing reliable castor. Combining a zinc plated corrosion resistant frame and a robust twin race swivel ensures a long and productive life.

The S3304 by Richmond Wheel and Castor Co. is a swivel frame castor and is fitted with a nylon wheel. This swivel castor is in our light industrial series range and can safely take loads up to 125kg. The S3304 wheel is fitted with plain bearings. This castor's swivel frame allows full swivel rotation to enable steering. The nylon wheel diameter is 75mm, the wheel width is 30mm and you can order separately (Part Number: NY3321). This model can also be ordered with a brake (part number S3304B).
