**Material:** Stainless Steel

## ADDITIONAL INFORMATION

Richmond's Stainless Steel Elite castors are manufactured from Grade 304 stainless steel to provide uncompromised durability when hygiene and health are important, they are highly suited to medical or laboratory equipment. Featuring a stainless steel double ball race swivel head contributing to maintenance free life, fitted with an attractive stainless steel thread guard on the 100 and 125mm or plastic thread guards on the 75mm castors these castors can also be fitted to food carts being constantly moved through cool rooms and steamy kitchens and can be

hose cleaned.

The S4490 from Richmond Wheel and Castor Co. is a swivel frame castor and uses a nylon wheel. This swivel castor is part of our stainless steel elite bolt range and can safely take loads up to 100kg. The S4490 uses plain bearings for wheel rotation and is mounted with a bolt. The swivel frame of this castor permits the load to be steered. The nylon wheel diameter is 100mm, the wheel width is 30mm and can be ordered separately (NY4417). This model can also be ordered with a brake (part number S4490B).
